

Friends of Barnfield Sandbeds

Wildlife Spotters Guide

Trees

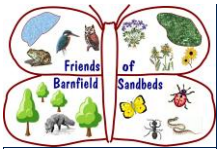

Barnfield Sandbeds Has a wide Variety of Trees many are Habitats for Birds and insects o all type. We have Built and erected Bat Boxes, Bat Houses and Bird Boxes on some of the trees around the site, Many Trees have Ivy clinging to them. This provides a habitat for certain species of wild life

On the following pages we have put together a worksheet with many of the Trees that can be found in the Barnfield Sandbeds. There is a photo and the name of the species to help with identification and a place for you to write in the date you saw them

The Photographs on the following pages are by kind permission of the North East Wildlife web site or photographs taken by Members of the Friends of Barnfield Sandbeds

Copies of this work sheet and many others are available on our web site at
www.friendsofbarnfieldsandbeds.co.uk

The work sheets are presented in Adobe Reader PDF format which may be viewed from the website or printed out as required. f you see any Trees not included on the following pages we would like to know about it so we can add it to our list. Please e-mail us
on info@friendsofbarnfieldsandbeds.co.uk
